Re: Broadband Industry Practices (WC Docket No. 07-52); CTIA Petition for Declaratory Ruling on Early Termination Fees (WT Docket No. 05-194)

Dear Ms. Dortch:

On February 22, 2008, Robert Quinn, Senior Vice President-Federal Regulatory spoke with Daniel Gonzalez by telephone. The discussion was a follow-up to an earlier meeting that day in the Chairman's Office pertaining to reasonable broadband network management practices and wireless early termination fees. The discussion in both of these areas was consistent with views AT&T has set forth in its filings in the above referenced proceedings.

In accordance with Section 1.1206 of the Commission's Rules, an electronic copy of this letter is being submitted via the Commission's Electronic Comment Filing System.

Respectfully submitted,
